All Star Baseball Academy camps are known to be one of the best in the state. The camp takes pride in the ability to provide quality instruction while having fun-yet keeping the cost affordable for campers.

Each day of the camp is broken out into sessions of instruction and supervised recreation. Instruction includes both offensive and defensive drills, fundamentals of the game, video analysis, classroom instruction on sports nutrition and the mental side of the game.

All Star Baseball Academy has the capability to give more hitting instruction than you will receive anywhere else.
